

Counting Puzzle

Fill in each circle with the correct number.
What number is in the very last circle?

A grid of 10 rows of counting puzzles. Each row consists of 10 circles connected by lines. The circles are color-coded by row: Row 1 (red), Row 2 (blue), Row 3 (green), Row 4 (purple), Row 5 (dark purple), Row 6 (orange), Row 7 (light blue), Row 8 (yellow), Row 9 (lavender), and Row 10 (pink).

1	2		4	5		7	8		10
2		6	8			14		18	
3	6		12		18		24	27	
4			16	20			32		40
5		15		25		35		45	
6	12		24			42			60
7		21		35	42		56		70
8		24	32			56	64		
9	18			45		63		81	
10				50				90
